kenosis

Revelation in Jerusalem Film: Shawshank Redemption

14: 1 -16: 8

redemption

Some questions to reflect on the movie:

What are the underlying themes for the main characters?

What are the core beliefs?

How does life change for the individual characters or not?

To what extent are these universal themes? (eg love, relationship, joy, disappointment, conversation, satisfaction with life)

Are there parallels, similarities, differences and comparisons with the gospel passages?
